### Jesus In the Temple

When Jesus was 12 years old he was interested in what the teachers had to say. He was listening to the teachers when his parents left to go back home. His parents thought that he was with family members and didn't know that he wasn't with them. When they realized that he was not with them they searched and searched until they found him in the temple sitting among the priests and teachers. Jesus is God's son, and he just wanted to be in his father's house (church).

### Jesus Baptized

One day Jesus came to the river and asked John to baptize him. He wanted to do what was right. So John baptized Jesus. As soon as Jesus came up out of the water, the Spirit of God came up out of the water, the Spirit of God came down from heaven. It looked like a dove. God said, "This is my Son who I love and I am well pleased with him. Jesus obeyed everything that God told him to do. How can we obey God?"

### Jesus' 12 Disciples

What is a disciple and what do they do? How can we be a disciple? You can tell others about Jesus. You can read your Bible and pray on a daily bases. Be a good friend and help out people in need. Listen to what God is saying to you.

### Through the Roof

A man could not walk, but he had three really good friends that knew Jesus could help. They carried their friend to the roof top and lowered him down in front of Jesus, because there was no room in the house. Jesus healed the man because of the faith of his friends. Do you have faith like that?
