

Little Lambs

June 2010 Newsletter

Themes

June 1 - 4: Under the Sea

June 7 - 11: Summer Fun

June 14 - 18: Dinos and Dads

Objectives

To learn about what creatures you can find in the ocean and their names.

To learn about all the fun things you can do during the summer.

The children will create a gift for their dads for Father's Day.

Important Information

Wow, I can hardly believe it's the end of the school year. It has gone by so quickly. The children have come so far from where they started with that first drop off. We have practiced sitting and paying attention at group, they have adjusted to being away from their parents and have established friendships in their class. They have worked hard on colors, shapes, letters, numbers and so much more. We want to thank each family for your help, donations and support throughout the year.

I hope you all have a wonderful and safe summer where ever your adventures may lead. We will truly miss all of the friends we have made this year and ask that you stop by and say hello next year!

Thank you for allowing us to care for your precious children! May you be blessed!

- * Our summer program will begin on Monday, June 21. If your child will not be with us for the summer, please remember to take their extra clothes home.

Reminder

*Please check your child's extra clothing for appropriate weather clothes. We've had some very warm days and wouldn't want to put long sleeve shirts & pants on your child when it's 80 degrees. Thanks!

*Also, please take all boots home.

Special Events Save the Date

On June 18 (our last day of school before our summer program), we will have a Farm Day Party. This is a fun morning for the kids starting around 9:30 with a farm show led by Farmer Don, followed by horseback rides for the kids and then a hayride back to the school. All are welcome to attend. Look for more information soon.

Happy Father's Day!!

Happy Birthday to:

June Bible Stories

June 2010

Welcome to June!

Can you believe the school year is almost over?! It is amazing to think back and remember how much your children have grown in just one year. I have had such a great time all year long with your children at bible story. This was a special time in my day and I always looked forward to the time I spent in the classroom. Each one of your children is unique and special in their own ways. It's amazing all the different characters we have! I will miss them all as they move on to their new classrooms.

Bible story stops for the summer months and will resume this fall. There are two weeks left for bible story and they will be fun ones! Here is what June has in store:

- *Week 1: Review Week*
- *Week 2: The Boy Who Went Away*

I am so glad I got to meet all of you and your wonderful children! I hope to see everyone next year in the halls and one the playground! Have a great summer!!!

Ms. Sara
