June 2010 Newsletter

Themes

June 1st-4th: Under the Sea

June 7th-11th: Here Comes Summer

June 14th-18th: Dads & Dinosaurs

Objectives

To learn about what you can find in the ocean.

To learn about all of the fun things you can do during the summer.

To talk about what our dads do for us and why we love them.

Important Information

Wow I can't believe the end of the year is already here. Time sure goes by fast. The children have come so far from where they started. They will be ready to sit and pay attention at group in their next class. They have established friendships that will last them while they are here. They have adjusted to being away from their parents. They have also worked on their letters, numbers and learned much more. We want to thank all families for such a wonderful year. We appreciate all of the help and support each and every one of you has given us; we couldn't have done it without you. We will greatly miss all of the friends we have made this year. We will be sending home your child's portfolio at the end of the year. I hope you have a wonderful and safe summer no matter what you will be doing. Thank you for allowing us to care for your precious children. Please come by and visit us next year!

We would like to wish all of the dads a very happy Father's Day. Our summer program will begin on Mon. June 21st. Keep an eye out for the summer newsletter. It will contain everything you need to know about the summer program and what your child will need to bring. If you have not done so already, please remember to sign the permission slip for sunscreen located by the sign in board. Please make sure you take your child's clothes home if they will not be here this summer, or check to make sure they fit and are weather appropriate if they are staying.

The End of the Year Party is scheduled for Friday, June 18th from 9:30-1:00. If your child does not regularly attend on Fridays, you are welcome to come with your child and stay for the morning activities. You can meet us back at the barn @ 9:30. We will be going to the farm to have a farm show by Farmer Don, ride horses and have a hayride. If you would like to join us please let us know. We will be getting on the hayride to head back up to the school around 11:15. Any parents that would like to come in for the morning are welcome to join us. If you chose to do so, we ask that you say your good byes when we exit the hayride in order to save tears when we get inside for lunch. Thank you for your cooperation with this!!

For lunch, please send in a BROWN BAG lunch for your child. In their lunch please remember to provide them with a juice box to drink. Since everyone is bringing in a lunch all items need to be in a disposable container so we do not have to try and figure out what belongs to each child. Thank you for your cooperation.

For the summer the staff will be as follows: Myself, Ms. Andrea, and Ms. Margaret. Just to let you know also, I will be going in for surgery on June 22nd, therefore I will be off of work from the 22nd- July 6th. If you have any questions or concerns during this time, please see Ms. Andrea.

June Bible Stories

June 2010

Welcome to June!

Can you believe the school year is almost over?! It is amazing to think back and remember how much your children have grown in just one year. I have had such a great time all year long with your children at bible story. This was a special time in my day and I always looked forward to the time I spent in the classroom. Each one of your children is unique and special in their own ways. It's amazing all the different characters we have! I will miss them all as they move on to their new classrooms.

Bible story stops for the summer months and will resume this fall. There are two weeks left for bible story and they will be fun ones! Here is what June has in store:

- *Week 1: Review Week*
- *Week 2: The Boy Who Went Away*

I am so glad I got to meet all of you and your wonderful children! I hope to see everyone next year in the halls and one the playground! Have a great summer!!!

Ms. Sara
