REAL LIFE NURSERY SCHOOL & KINDERGARTEN OCTOBER NEWSLETTER

Welcome to the month of October! As we enter our second month of the school year we are extremely pleased with how well all of the children are adjusting to school and their classroom routines. We hope the Meet The Teacher Nights proved to be informative. All of the teachers were very pleased to have such a wonderful turnout. Thank you to all parents for your great participation!

ANIMAL SIGN OUT

Animal sign out is now going on through the end of October. If you would like to have the experience of a lifetime and have one of our adorable farm animals spend the night with you please sign one out at the table located in the main hallway. You can also stop by the farm some afternoon to check out all the "fall babies!"

AAAACHHOOOO!!!

With the cooler weather arriving we may be seeing more coughs and colds. Please be sure to check your child daily for symptoms of a cold. Check the parent handbook for tips on when to keep your child home from school. Also, please call the school if your child will not be here. The teachers and the children are concerned whenever one of their friends is missing!

BUTTON UP! ZIP UP!

As the weather gets cooler, be sure to send your child a jacket or sweatshirt to wear when they go outside. Outside play and exercise is extremely important for children. We go outside each day in the morning and afternoon. It would also be a good idea to teach children how to put on their own coat and zip or button up! It teaches great independent living skills and really helps the teachers when its time to go outside.

NOVEMBER PARENT CONFERENCES

All of our teachers will be having parent conferences during the month of November. These conferences are designed to discuss the developmental progress of your child. Look for parent conference sign up sheets in your child's classroom. If you feel you need more than the allotted time on the schedule please let your child's teacher know and they will make arrangements for you.

TUESDAY. OCT. 31...DRESS LIKE A FARMER DAY ON THE FARM!

In celebration of the "Harvest" we are asking all children to come to school dressed as "farmers!" We will celebrate in the classrooms and take a hayride out to the Real Life Farm ! We'll have a Pizza Party for Lunch this day! (All pizzas will be cheese only). Each classroom is in need of parents to help on this day. You can sign up to help in your child's classroom.

Happy Harvest!
