REAL LIFE NURSERY SCHOOL & KINDERGARTEN MAY NEWSLETTER

Welcome to the Month of May! Spring is a magical time on the farm!

The children are enjoying being outside for longer periods of time. Sometimes they may travel back to the farm in the afternoon. When they do they will return to the school by 4:30. Parents are always welcome to join us back on the farm any day!

EVERYTHING GROWS WITH LOVE

Plants, flowers, butterflies, chicks, ducklings, bunnies, kittens...our children experience "hands on" how every living thing in God's world needs food, water, and lots of love in order to grow. Self esteem is nurtured when a child feels needed and loved. By giving your child the experiences of growing things and loving them we hope to build their self esteem as they experience pride in the living things they help to care for at school and at the farm.

ANIMAL SIGN OUT BEGINS IN JUNE!

Animal sign-out begins in June and will continue throughout the summer. Animal sign out is a great opportunity to extend the concept of care and responsibility into your home. Sign out an animal on one of the sign out sheets on the table located in the center hallway. When you pick up your child simply drive back to the farm to pick up your overnight visitor complete with cage and food. Please return your animal to the farm by 9:00 a.m. the following morning. We encourage all families to sign out an animal for an evening. It's a wonderful experience!

REAL LIFE NURSERY & KINDERGARTEN FARM DAY...JUNE 14

To celebrate the end of our school year Farmer Don & Farmer Aaron have invited all families and their children to join us on Friday, June 14 for a Farm Day! We will meet back at the farm at 9:30 a.m. The children will receive a hayride, and a farm show with Farmer Aaron in the barn basement where they'll get to hand feed and bottle feed the baby animals and milk the cow. If your child normally attends on Friday they will automatically go back with their class. If your child does not normally attend on Friday we welcome you to join us for this fun filled day. Parents of children who normally attend on Fridays are not required to accompany their child but the teachers are asking for volunteers to help supervise children. Please let your child's teacher know if you would like to help chaperone this event. ***BROWN BAG IT!*** Everyone should pack a "brown bag lunch" on this day. Remember to pack a juice box (no nut products please). The farm trip will last until approximately 12:30 p.m. All children who normally attend Real Life on Fridays will then travel back up to the school for their rest time. You may pick up your child at their regular time on this day.

SUMMER PROGRAM AT REAL LIFE BEGINS ON MONDAY, JUNE 17! If you are planning on having your child attend Real Life this summer, but have not yet registered them, please stop by the front desk as soon as possible to reserve a spot for them. Classrooms are filling up quickly!
