FEBRUARY NEWSLETTER 2026

WELCOME TO THE MONTH OF FEBRUARY!

Spring is just around the corner... we hope! Legend says that the groundhog can determine whether or not we have an early spring. Monday, February 2nd, is Groundhog Day! If Mr. Groundhog comes out of his hole and sees his shadow he'll get scared and run back into his hole in the ground. That would mean six more weeks of winter weather! If it's cloudy out, then he may not see his shadow. That would mean spring weather would come early! Stay tuned to the weather channel to see what happens in our area!

SUMMER & FALL REGISTRATION NOW OPEN!

Registration for this Summer and Fall begins on February 1st. Don't forget to turn in your child's Summer and/or Fall Registration forms as soon as possible! Registration will be open to new families beginning February 14th. Waiting to register until after February 14th or later may result in your child being placed on a waiting list. Please note that if you

plan to attend this summer and next Fall, you need to fill out paperwork for both programs! All forms **MUST BE PRINTED OUT AND RETURNED TO SCHOOL!** Simply filling forms out online **DOES NOT** hold your child's place!

TUITION POLICY . . .

As with each year, tuition prices will increase in June and will remain the same throughout the school year. Please note when registering for Summer, a \$10 deposit is due upon registration for each day you enroll your child for. This holds your child's place in our program and allows you to create your own flexible schedule. The \$10 deposits are subtracted from your weekly tuition once camp begins. When re-enrolling for the school year, your security deposits will roll over to the following year and you would just pay the difference in the increased rate. Please see us at the front desk if you have any questions!

HAPPY VALENTINE'S DAY

Each class will celebrate Valentines Day during the week of February 9-13. Please have your child write ONLY their names on their Valentine Cards! Check your child's classroom newsletter for specific details!
