2022 April News

SPRING HAS SPRUNG ON THE FARM!

Kids, lambs, piglets, goslings, ducklings, chicks, bunnies have arrived on Real Life Farm! The children are enjoying their trips back to the farm to see all the new arrivals!

Please make sure your child's rubber farm boots fit!

All winter boots and clothing can go home. Make sure your child has a change of clothes available in case they get muddy. April showers bring May flowers and "mud" back on the farm!

 SCHOLASTIC

BOOK FAIRS

SCHOLASTIC BOOK FAIR

Thank you parents for supporting our Book Fair this year. We were able to raise \$3,868.39 in Scholastic dollars. The teachers will use this money to replenish their classroom libraries!

Afternoon Pick-up

For the safety of our children please do not enter the playgrounds through the gates. The gates must remain closed and locked. Also, please do not exit through the gates. Always remember to sign out your child on the sign out board before leaving each day.

Tornado Shelters

Real Life has storm shelters in both buildings. In the event of severe weather the children will be led safely down the basement stairs to wait until an all clear bulletin is issued.

Proper Shoes Please

We require children to wear *close toe shoes* for playing on the playground equipment and traveling back to the farm. Tennis shoes are the best for the school playgrounds. Flip flops and sandals are unsafe to climb, run, and walk in. If your child wears clogs they must have a strap at the back. For the safety of our children we will not allow them to play on the playground wearing anything but a closed toe shoe...rubber boots for the farm!
